

RoboMop®

FLOOR DUSTER

Video

It dusts your floors so you don't have to!

RoboMop floor duster

RoboMop is designed to dust your smooth floors. Simply attach a microfiber cloth, place the ball inside the sweeper-frame and watch RoboMop automatically sweep your floors for you. The microfiber cloth attracts dust like a magnet. Then when its dirty, simply remove the cloth and throw it in the washing machine.

QUICK START GUIDE

Charge the ball
